Waiver of Liability for Travel Outside of Chiang Mai Province

I, the undersigned, waive and release Payap University (PYU) and their agents from any and all claims and causes of action for any injury, accident, damages, or death caused by vehicle, war, weather, strike, sickness, quarantine, government restriction or regulation, or stemming from any act of omission of any airline, railroad, hotel, restaurant, bus company, taxi service, school, university, or other firm, agency (government or private), company, or individual. I also release PYU and its agents and agree to indemnify them with regard to any financial obligations or liabilities that I may incur personally during my course of study at PYU.

I understand that all travel involves risk, and I hereby agree to assume such risk that is inherent with travel. I hereby waive and release any and all claims against PYU and its agents for any injuries, damages, or losses incurred in connection with terrorist activities, social or labor unrest, mechanical or construction difficulties, diseases, local laws, climatic conditions, abnormal conditions or developments, or any other actions, omissions, or conditions outside the university's control. I voluntarily assume all risks involved with travel, expected or unexpected.

I hereby grant PYU and its agent(s) full authority to take whatever action(s) they may consider necessary under circumstances concerning my health and safety, and I fully release each of them from any liability for such decisions or actions as may be taken in connection therewith. I authorize PYU and its agent(s), at their discretion, to place me, at my own (or parent's/guardian's) expense, and without further consent, in a hospital or if a hospital is not available, to place me in the hands of a local medical doctor for treatment. I understand that I am responsible for assuming all financial obligations for medical care obtained on my behalf. I have been advised that the health care provided by PYU for students is limited in scope and that I have been advised to purchase additional coverage.

I agree that PYU has the right to enforce its standards of conduct and that, should I fail to comply with them, the Administration has the right to terminate my enrollment at the university. I understand that if for any reason I leave the program, I am responsible for all financial arrangements for transportation home.

I understand and accept each of the above conditions.
